Maximum capacity: 150p. sit-down dinner

Tapas are all about being social; sharing plates is just the start, it's really about sharing in the experience and the fun that comes along with it. Come alone or come with 200 people, either way Moomba will take you in and where your night goes from there is up to you. Begin your evening with a signature cocktail in our magnificent bar looking down on all of Maho. The party really starts when the hunger ensues; enter Moomba's welcoming dining room and lounge. Your senses are immediately awakened; the sounds of the DJ spinning, the sweet aromas of the tapas passing by and an incredible showcase open kitchen displaying the freshest treasures of the seas and mouth watering Mediterranean salads.

The only other question left is what kind of wine can I bring you?! Everything is accessible from a rustic Rioja to the finest Burgundian reds. Stay late, have a cocktail, the Moomba vibe is always on.

We can't state it enough, Moomba means let's get together and have fun!
